

611 Wilshire Boulevard  
Suite 400 D-E  
Rentable Square Footage: 3,224

Suite 400 D-E provides raised flooring throughout with a 1-foot clearance below the tiles. About 2,000 SF of the raised flooring is the caged area and about 1,100 SF is the admin/ NOC space. The suite has connectivity to 2,000 KW generator and includes a pre-action fire-suppression system. The high slab above the ceiling tiles is 11'10" (started from the raised floor)" and lowest obstruction is 8'6". Ceiling tiles were installed in this space to improve A/C performance but could be removed.
